

CLAIMS UPDATE!!!
EFFECTIVE APRIL 01, 2015

March 25, 2015

Dear Provider Partner:

Please review the following CPT change that will take effect on April 1, 2015.

FLUORIDE VARNISH – NEW CPT CODE

- Effective 04/01/2015, CPT code **99188** (Application of topical fluoride varnish by a physician or other qualified health care professional) will replace HCPC code **D1206** (Topical application of Fluoride Varnish) when billed by MD's, DO's, PA's and RNP's- provider types 08,18,19 and 31.
- Dentists - provider type 07- will continue to use HCPC code **D1206** for application of Fluoride varnish.

We hope you find this information beneficial. If any questions, please contact your Network Service Representative.

Sincerely,

Provider Network Operations
