## Important Changes to Health Choice Generations Prior Authorization Guidelines

8/30/2016

Dear Provider,

We would like to inform you about recent changes made to our Health Choice Generations Prior Authorization Guidelines. The changes are as follows:

### Providers and Procedures Requiring Prior Authorization

- Ophthalmology: Prior Authorization required for all services unless referred to Nationwide. No Prior Authorization Required for (i) treatment of foreign bodies in the eye and (ii) diabetic eye exams.
- Podiatrists (Doctors of Podiatric Medicine): All services except routine diabetic foot exams.

### Imaging Services and Select Cardiac Testing Requests

- Company name changed from MedSolutions to eviCore.

### eviCore CPT Code Description

- Added 25 CPT codes.

Please note, these changes will be effective for dates of service beginning on 10/01/2016. Please contact your network service representative if you have any questions.

Thank you,

Health Choice Generations
